RE: South Carolina Electric & Gas Company - Annual Review of the Purchased Gas
Adjustments and Gas Purchasing Policies; Docket No. 2006-5-G
Adjustment to cost of gas factors

Dear Mr. Terreni:

It is my understanding that my letter (with enclosures) to you dated November 16, 2006 and filed in the above-captioned docket fully completed the notification requirement approved by the Commission in Order No. 2006-679 for the increased rate factors to be charged beginning with and effective on and after (until appropriately modified by subsequent filings) the first billing cycle of the month of December 2006. Now that notification has been duly made in compliance with Order No. 2006-679, please indicate these new tariff sheets, including the new rate factors included therein, are consistent with Commission Order No. 2006-679 by including on the face of each new tariff sheet a legend stating "Approved pursuant to Order No. 2006-679" or other appropriate words that provide conclusive evidence that the new rates are consistent with the approval granted in Order No. 2006-679 and are to be implemented as filed.

Please return copies of the new tariff sheets with the legend reflected thereon to all parties to complete our respective files.

If you have any questions, please do not hesitate to contact me. Thank you in advance for your assistance in this matter.

Sincerely,

Catherine D. Taylor/kms
